List of Labelling Linkages: New Zealand

Linkages which are required between labelling claims for Vintage, Variety and Wine Region and which will be maintained under Article 5 of the WWTG Labelling Protocol¹ for wine imported from Parties to that Protocol.

This notification is submitted in accordance with the WWTG Labelling Protocol Article 5, paragraphs 1-2 which state:

- 1. A Party may maintain requirements that two or more of the labelling elements in Articles 4.2, 4.3 and 4.4, namely varietal, wine region and vintage, are linked to one another.*
 - 2. A Party may notify such requirements as described in paragraph (1) to the electronic depositary, which will convey this information to each Party's respective contact point and publish it on the WWTG website.*
